

Requirements for the Admission of Non-Iranian Students at Kurdistan University of Medical Sciences

The main goal and the main policy of Kurdistan University of Medical Sciences have been to provide an appropriate context for the admission of non-Iranian students particularly from neighboring countries. Such a context was provided by preparing required infrastructures, strengthening scientific knowledge, developing clinical educational setting and facilitating the process of students' admission. According to the license issued by the Iranian Ministry of Health in 2015, Kurdistan University of Medical Sciences is allowed to admit non-Iranian students in Medicine and Nursing for the second semester of 2018-2019 academic year.

General Requirements for the Admission of Applicants

The applicants of M.D. and B.Sc. degree are required to have a high school diploma certificate. The diploma certificate has to be confirmed by the embassy or the Consulate of The Islamic Republic of Iran in the country of origin.

The applicants must obtain proficiency in Persian language. In addition, they have to provide a certificate indicating the completion of a Persian language educational course. The applicants will be provided with some opportunities to facilitate learning Persian language on a short-term course basis.

The applicants should afford to pay the educational tuition fees.

The applicants must not be prohibited by Iranian legislation to enter, stay and study in Iran.

It should be noted that applicants from Iraqi Kurdistan must be graduates of high school diploma. The average of the diploma certificate scores must be at least 85 and 60 out of 100 for the applicants of Medicine and Nursing, respectively.

The following documents are required for admission:

- The filled out admission forms (via website: <http://www.saorg.ir/>)
- The academic certificate which has been translated and validated by the Embassy or the Consulate of The Islamic Republic of Iran. The academic certificate must include the name of the field of study, the date of graduation, the characteristics of educational institution and the applicant's scores.
- A copy of all the pages of the applicant's passport.
- A passport size photograph of the applicant.
