### **Ali Babazadeh: Academic CV**

I am Ali Babazadeh born in 1970 from Tehran with identity number 2704.

I have taken my diploma of experimental sciences in Maragheh in 1991.

I have been accepted in Bachelor of Science degree in sport and physical education at Kurdistan University in February 1994 and I have been graduated in 1998.

I have participated in recruitment test of university of medical sciences on 10th September, 1999 and started working (officially trial) in organizational post location (number 30) as an expert of physical education (males part).

Finally, in 2011 I have been appointed as the head of physical education department of KUMS and I have taken master's degree in sport management in 2014 from Islamic Azad University of Sanandaj.

### **Summary of my Research Works:**

1- Compilation of the book of principles of management and its role in physical education from rare publications with ISSN number:

9-63-8611-600-987

2- Printed and accepted article in European journal of physical education and sport sciences with ISSN 2501-1235 and topic as:

The relation between satisfaction among sport clubs customers and coaches personality and work ethics.
